

JAL To Introduce Fully Revamped 767-300ERs On Its Haneda=Itami Route Starting December 8, 2014

TOKYO November 21, 2014: Japan Airlines announced today that it will introduce fully revamped Boeing 767-300ER aircraft on its domestic Tokyo (Haneda) = Osaka (Itami) route starting December 8, 2014. The retrofitted aircraft have also been configured to offer JAL First Class in addition to Class J and Economy Class, which both are fitted with new seats.*

*For more information about the new seats, visit press release: <http://press.jal.co.jp/en/release/201401/002796.html>

Under the theme of “Embrace new Challenges”, JAL is striving to introduce more innovative products and services to its customers.
