

JAL Doubles In-flight Entertainment Programs on Its International Routes

~ More Select Movies, TV Series and Audio Programs on Demand ~

TOKYO September 18, 2015: Japan Airlines (JAL) decided to further improve its in-flight entertainment service on the international routes, starting October 2015. The number of in-flight entertainment programs will be doubled to more than 300 in January 2016. (*) Additionally, more movies can be screened in different languages to satisfy the wide range of customers on board.

*Available on aircraft equipped with MAGIC system V/VI.

【JAL In-flight Entertainment】

JAL fleet for international service is equipped with advanced in-flight entertainment systems, which provide customers with variety of movies, TV programs, music and games. It can be operated in Japanese, English, Hong Kong Traditional Chinese, Simplified Chinese and Korean.
