

JAL Group Announces Flight Frequency Increase in FY2018

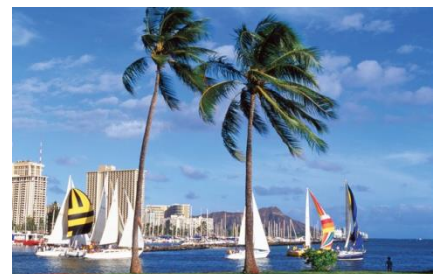

~ Double Daily Service provided during Peak Travel Season ~

Tokyo Dec 1, 2017: JAL Group (JAL) today announced revisions to the flight frequency plans during FY2018.

In response to customer demand, JAL will operate double daily service between Tokyo (Narita) = Guam and Osaka (Kansai) = Honolulu during the peak travel season. For flights to/from Guam, JAL will operate the route with the highly acclaimed JAL SKY SUITE aircraft (*1), featuring 24 fully-flat business class seats and the award winning JAL SKY WIDER seat in Economy Class.

Reservations and ticket sales will begin December 7, 2017. (10:00AM Japan Time)

The JAL Group will continue to embrace new challenges to deliver greater customer convenience and comfort, enhance its networks, and improve the quality of products and services.
