

JOINT RELEASE

JAL to Serve “AIR MOS Cream Cheese Teriyaki Burger”

Tokyo, May 28, 2018 – Japan Airlines Co., Ltd. (JAL) and MOS FOOD SERVICES INC, operator of the MOS BURGER fast-food chain announced their latest collaboration menu, AIR MOS Cream Cheese Teriyaki Burger. This meal will be served on select flights from Japan to Europe, North America and Australia starting June 1, 2018.

The JAL AIR MOS series, a collaborated effort between JAL and MOS BURGER, launched in 2011 and has featured innovative menu ideas such as AIR MOS BURGER, Vegetable AIR MOS BURGER and AIR MOS Yakiniku Rice Burger. The 8th collaboration is the AIR MOS Cream Cheese Teriyaki Burger, which pairs a sweet and tangy teriyaki sauce with cream cheese for a rich and refreshing taste.

JAL and MOS BURGER will continue to challenge each other to develop innovative and tasty meals for our valued customers.

【Highlights of AIR MOS Cream Cheese Teriyaki Burger】

- A JAL original arrangement of MOS TERIYAKI BURGER, highlighting the exquisite match of sweet and tangy teriyaki sauce and cream cheese.
- The same lettuce used at MOS BURGER shops is featured in the inflight menu. All vegetables are supplied domestically by affiliated farmers, who cultivate vegetables without relying on agricultural chemicals or fertilizers to the greatest extent possible so you can enjoy the taste of fresh vegetables.

※ Please note that depending on weather and procurement conditions, vegetables from non-affiliate farmers may be used.

【Tohato Poteko` Snacks – JAL Limited Edition Package】

- `Poteko` (made by Tohato Inc.) will be served as a side menu, in place of French fries, in the image of a set menu served at MOS BURGER shops.

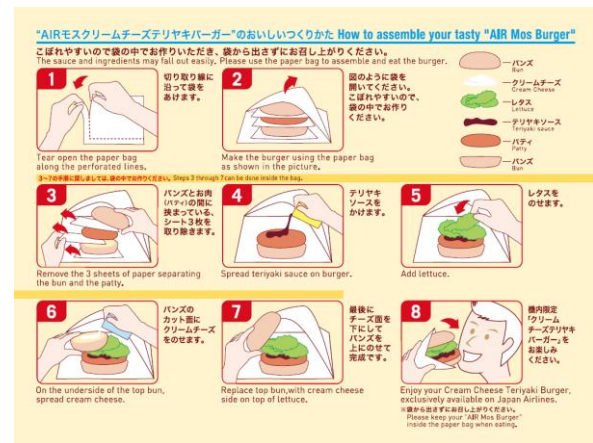

➤ Design

The package, tray mat, leaflet and Poteko side menu, exclusively developed for AIR MOS Cream Cheese Teriyaki Burger, are designed with a JAL aircraft illustration and the AIR MOS logo to enhance the visual appeal.
