

JAL Starts Codesharing with China Southern on Narita=Dalian Route

TOKYO January 4, 2011: Japan Airlines (JAL) and China Southern Airlines (CZ) have reached an agreement to codeshare on the latter's operation on the route between Tokyo (Narita) and Dalian starting from January 5, 2011.

Including CZ-operated flights connecting both Tokyo (Narita) and Osaka (Kansai) in Japan with Guangzhou and Shenyang that JAL currently markets, JAL and CZ now codeshare on 23 flights a week on 5 routes. Complementing JAL's extensive network of direct flights to China, this expanded codeshare partnership brings greater support to our customers traveling between Japan and China for business or for leisure.

Reservations and ticket sales start tomorrow.
