## **Japan Airlines Updates International Network Plan through September 30, 2021**

Japan Airlines (JAL) announced additional revisions to its international network plans through September 30, 2021.

The carrier will continue to review travel restrictions within each destination and update its international network plan, while asking for our customer`s understanding during this unprecedented time.

The JAL Group is currently working on anti-virus and anti-bacterial coating in the cabin to provide safe and secure travel experience. Japan Airlines are also extending the period of support for international travel, "JAL Corona Cover", and expanding the scope of support. Japan Airlines will continue to work together with our customers to create a hygienic and clean environment at airports and on board to provide safe travel experience.

**Note:** First time for a airline in Japan to implement anti-virus and anti-bacterial coating in the cabin. <https://press.jal.co.jp/ja/release/202104/006045.html>
