

JAL Announces International Fare Fuel Surcharge for Tickets Issued Between October and November 2023

TOKYO, Japan – Japan Airlines (JAL) has requested for approval from Japan’s Ministry of Land, Infrastructure, Transport and Tourism (MLIT) to set the level of fuel surcharge on international passenger tickets purchased in Japan between October 1 and November 30, 2023.

JAL sets fuel surcharge levels bimonthly based on the two-month average price of Singapore kerosene-type jet fuel. The price of Singapore kerosene-type jet fuel during the two-month period of June and July 2023 averaged USD94.59 per barrel, which accounted for JPY13,357 in the average exchange rate of JPY/USD 141.20 during the same period.

As a result, with reference to the fuel surcharge benchmark list for FY2023, this corresponds to Zone H from October to November 2023.

Fuel Surcharge for the period: October 1 ~ November 30, 2023
