**“JAL Fantastic Journey Express”
to Begin Domestic Flights in Late October**
Special Aircraft Themed to Fantasy Springs in Tokyo DisneySea
Featuring Beloved Disney Characters, Anna, Elsa, Rapunzel and Peter Pan

URAYASU, CHIBA—**Japan Airlines**, hereinafter JAL (headquarters: Shinagawa-ku, Tokyo; President and Group CEO: Mitsuko Tottori) and **Oriental Land Co., Ltd.**, (headquarters: Urayasu-shi, Chiba; Representative Director, President and COO: Kenji Yoshida) will launch the “**JAL Fantastic Journey Express**” (Boeing 767-300ER), which will begin domestic flights in Japan for a limited period starting in late October. The aircraft’s design is inspired by the new Fantasy Springs themed port that opened at **Tokyo DisneySea® Park** on June 6, 2024.

**Aircraft Design and Theme**

The “JAL Fantastic Journey Express” is a specially painted aircraft created through a tie in between **Tokyo Disney Resort®** and JAL, an official sponsor. This marks the sixth collaboration since JAL first teamed up with Tokyo DisneySea when it opened in 2001.

Fantasy Springs is the only themed port of its kind in the world, featuring three areas inspired by Walt Disney Animation Studios films *Frozen*, *Tangled* and *Peter Pan*, as well as the latest Disney-themed hotel, Tokyo DisneySea Fantasy Springs Hotel.

The aircraft design evokes magical springs that lead to a world of Disney fantasy, featuring Anna, Elsa, Rapunzel and Peter Pan against backdrops inspired by locations from Fantasy Springs, such as Arendelle Castle, Rapunzel’s Tower and Captain Hook’s ship, the *Jolly Roger*.

Inflight Experience

Passengers will enjoy special designs on headrest covers and paper cups, immersing themselves in the world of Fantasy Springs as they travel aboard the “JAL Fantastic Journey Express” aircraft.

Additionally, the “JAL Happy Dream Campaign 2024”* is currently underway, offering participants a chance to win prizes, including invitations to JAL’s exclusive party events at Tokyo DisneySea. Guests are invited to take this opportunity to travel to various destinations across Japan on JAL Group flights.
