

## JAL Announces International Fare Fuel Surcharge for Tickets Issued Between February and March 2024

**TOKYO, Japan** – Japan Airlines (JAL) has requested for approval from Japan’s Ministry of Land, Infrastructure, Transport and Tourism (MLIT) to set the level of fuel surcharge on international passenger tickets purchased in Japan between February 1 and March 31, 2024.

JAL sets fuel surcharge levels bimonthly based on the two-month average price of Singapore kerosene-type jet fuel. The price of Singapore kerosene-type jet fuel during the two-month period of October and November 2023 averaged USD110.32 per barrel, which accounted for JPY16,512 in the average exchange rate of JPY/USD 149.67 during the same period.

As a result, with reference to the fuel surcharge benchmark list for FY2023, this corresponds to Zone K from February to March 2024.
