

(Press Memo – For Immediate Release)

June 24, 2021

JAL Group Readjusts Domestic Network Plan between July 01– July 16,2021.

The JAL Group today announced further reductions on its domestic network between July 01 and July 16,2021., as the carrier is expecting a slight decline in travel demand in response to the number of COVID-19 cases reported in Japan.

In accordance with the conditions of carriage, customers affected by the cancellations during this period will be re-accommodated on an alternative flight.

The “JAL Domestic PCR Inspection Service” for JAL Group passengers will be extended to January 10,2022. In addition, from July onwards, the service will be extended to all customers and all fares for JAL Group domestic flights, and will be offered at a special price. In addition, we will create a hygienic and clean environment at airports and on board to provide our customers with a safe and secure travel experience.

We sincerely apologize for any inconvenience, this may cause to customers who have booked flights on the reduced schedule, but would like to ask for our customer`s understanding during this unprecedented time.
