

JAL Group Revises FY19 Domestic Flight Frequency Plan

Additional flight announced for Sapporo (New Chitose) = Sendai route

Tokyo, January 28, 2019 – The JAL Group (JAL and J-AIR) today announced a revision to the domestic flight frequency plan for FY2019. In order to meet the seasonal demand between New Chitose and Sendai, J-AIR will operate six daily flights from March 31 to October 26, 2019.

The JAL Group will continue to embrace new challenges to deliver greater customer convenience, enhance its route network, and improve the quality of its products and services.

【Flight Frequency Increase】

Route	Effective Period	Details	Remarks
Sapporo (New Chitose) = Sendai	Mar 31 - Oct 26, 2019	5 daily ⇒ 6 daily
