

JAL Group Announces FY2024 Schedule on International and Domestic Network

Tokyo, JAPAN – The JAL Group today announced the Summer schedule for international routes and the schedule for domestic routes for the fiscal year 2024. Please note that the Winter schedule for international routes will be announced separately.

International Flights

1. The Haneda-Doha route will begin operating as the first non-stop flight from Japan to the Middle East, offered by a Japanese airline.
2. The new A350-1000 aircraft will be progressively introduced on the Haneda–Dallas Fort Worth, New York (JL4/3 flight), and London (JL43/44 flight) routes.

1. The Haneda-Doha route will be in operation daily from March 31, 2024.
To commemorate the launch, a Discount Mile Campaign for the Doha route will be implemented starting from February 8. Detailed campaign information will be announced later on the JAL website.
2. A350-1000 will be progressively introduced to the Haneda–Dallas Fort Worth, New York (JL4/3 flight), and London (JL43/44 flight) routes within the fiscal year 2024.
*The Haneda-New York route (JL5/6 flight) has already been operated with A350-1000 since January 2024.

Domestic Flights

1. To meet the strong demand for tourism, the Tokyo (Haneda)-Sapporo (New Chitose) route will have increased flights, and the Osaka (Itami)-Sapporo (New Chitose) route will have seasonal additions.
2. In August 2024, the Tokyo (Haneda)-Ishigaki route will introduce the larger Boeing 787-8 aircraft for the first time, allowing for increased seat capacity.

- From March 31, the Tokyo (Haneda) - Sapporo (New Chitose) route will increase the number of round trips from 16 to 17 per day.
- From June 1, the Osaka (Itami) - Sapporo (New Chitose) route will increase the number of round trips from 4 to 5 per day.
- From August 1 to August 31, the Tokyo (Haneda) - Ishigaki route will operate with the Boeing 787-8 aircraft.

JAL will continue to introduce the A350-1000, which combines the highest level of comfort with the latest environmental performance, to enhance the comfort of our customers and realize a sustainable future. Passengers are encouraged to anticipate an exciting and fitting boarding experience that aligns with the modern era. Additionally, JAL aims to create social and economic value by fostering relationships and connections through travel, and will continue to provide a route network that meets the needs of our customers.

Appendix

*The following plans and schedules are subject to application and approval by the relevant authorities.

If there are any additional routes that will be operated but are not listed below, detailed information will be announced separately.

Please refer to the JAL Timetable or the [JAL Web site](http://www.jal.com) for seasonal increase/decrease of flights and seasonal flights not listed below.

※1 The number of flights planned for March 2024 is listed.
