

Complete Renewal of JALCARGO Website

- Evolving into a Convenient and User-Friendly Platform with a Refined Design and Enhanced Features -

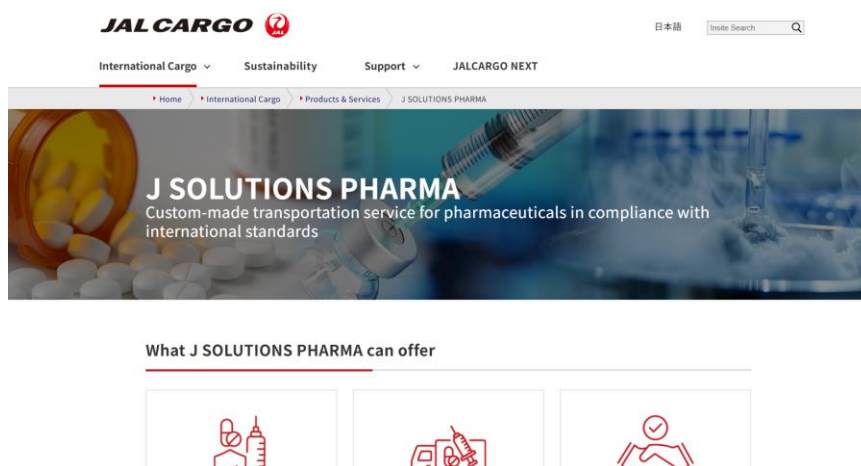

Tokyo, Japan – Japan Airlines Co., Ltd. (JAL) will completely renew its cargo website on August 28, 2025. Featuring a refined design along with diverse content such as “JALCARGO NEXT” column, case studies, and a Fresh from the producer page, as well as enhanced support tools such as chatbots and FAQs, the renewed platform aims to offer customers more convenient, clear, and user-friendly experience.

Overview of the JALCARGO Website Renewal

① Easier to Navigate

To help customers quickly find the information they need, the website’s navigation has been reorganized for clarification, complemented by visually intuitive elements for immediate understanding. The responsive design ensures a smooth browsing experience on smartphones and tablets, offering the same content and functionality as on desktop devices.
