Japan Airlines Updates International Network Plan through October 30,2021

Japan Airlines (JAL) announced additional revisions to its international network plans for October, 2021.

This revision includes international destination, which were not included during the previous announcement made last month. Updates includes route to Vladivostok for the month of September 2021.

The JAL Group have been working on anti-virus and anti-bacterial coating in the cabin to provide safe and secure travel experience since April, and we have completed the work on all JAL’s international aircraft. Japan Airlines will continue to work together with our customers to create a hygienic and clean environment at airports and on board to provide safe travel experience.

Note: First time for a airline in Japan to implement anti-virus and anti-bacterial coating in the cabin. <https://press.jal.co.jp/ja/release/202104/006045.html>
