JAL Group Announces additional Flight Plans for FY2023 Summer Schedule on International Network**【Key Highlights】**

- ◆ Haneda=Shanghai will set up a second new flight on the Pudong route, and resume the Hongqiao route for the first time in three years. A total of three flights will be operated daily.
- ◆ The Haneda=Beijing route will operate twice daily, and the Haneda=Guangzhou and Narita=Dalian routes will each operate daily.
- ◆ Routes to/from outside the Tokyo metropolitan area, Kansai=Shanghai (Pudong) and Chubu=Tianjin, will be resumed in May.

In response to the Japanese government's further mitigation measures, we have decided on flight plans for East Asia routes, which had been under adjustment in the FY2023 Summer International Route Flight Plan. We have also decided to add additional flights for the March 13–25, 2023, winter season of fiscal year 2022.
