

Experience the Magic of Disney+ in the Sky

JAL Introduces Disney+ Originals to Inflight Entertainment – A First for Japanese Airlines

～First Airline in Japan, Offering a Magical Lineup for an Enchanting Journey～

Japan Airlines Co., Ltd. (JAL) is the first Japanese airline to introduce a selection of Disney+ Originals in its inflight entertainment on both international and domestic flights. (*)

Disney+ offers beloved content from Disney, Pixar, Marvel, Star Wars, National Geographic, and more. With the addition of Disney+ Originals, JAL's inflight entertainment now features an even wider variety of movies, dramas, and series, including exclusive original content, ensuring a magical journey in the sky.

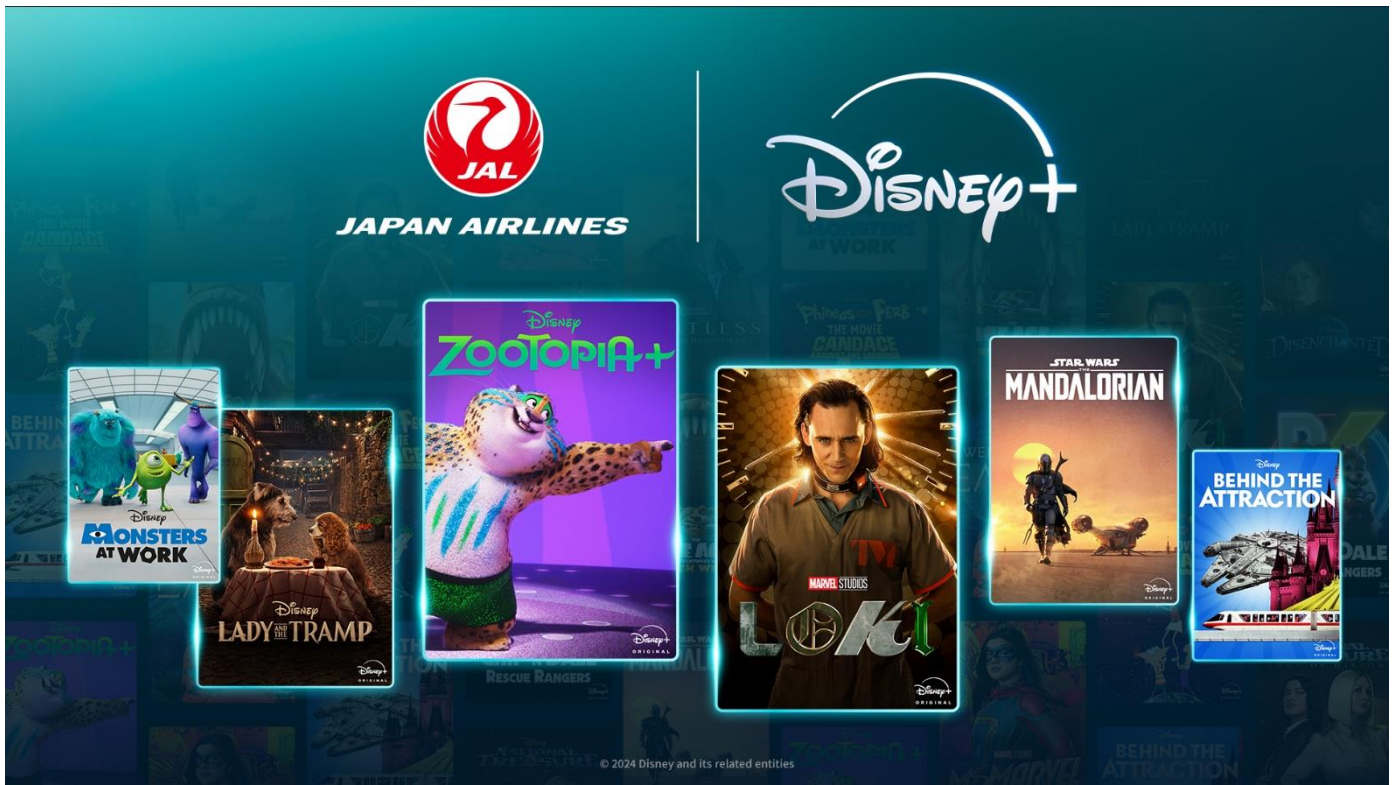

(*) The service commenced on July 1, 2024, for international flights and will commence on August 1, 2024, for domestic flights.

JAL provides entertainment services on all its aircraft, allowing passengers to enjoy movies, anime, and TV programs on personal monitors, or on their own smartphones and tablets, even on aircraft without built-in monitors, ensuring a comfortable journey for all. The latest Airbus A350-1000 features 4K monitors and Bluetooth connectivity in all classes, and the world's first in-seat speakers in First and Business Class, offering an even more immersive inflight entertainment experience. Additionally, JAL plans to offer free inflight Wi-Fi on international flights to enhance the internet connectivity environment.

Through continuously evolving inflight entertainment, JAL aims to create the best possible journey tailored to each customer's needs.

Comment from Junko SAKIHARA, Deputy Senior Vice President of Customer Experience Dept.

"We are delighted to be the first airline in Japan to offer a wide range of Disney+ Originals on both domestic and international flights. We are very pleased to provide a comfortable journey to many of our customers. JAL aims to offer services that allow each customer to choose according to their preferences, through a variety of inflight entertainment and stable inflight Wi-Fi. During this summer vacation, please create unforgettable memories with your family and friends by enjoying the wonderful works of Disney+ Originals on JAL flights."
