— Frequencies to be Increased on Narita–Tianjin, Taipei (Taoyuan), and Chicago Routes —

Tokyo, JAPAN – The JAL Group today announced further updates to the FY2026 Summer schedule for its international cargo freighters due to the completion of scheduled maintenance on JAL's own freighter aircraft. The revised schedule will take effect as outlined below.
Additionally, JAL will resume operating the Narita–Hong Kong route using its own freighter service effective September 16, 2026, replacing the substitute cargo codeshare flights previously operated with Kalitta Air.
