

JAL Group Announces FY2025 Winter Schedule on International Cargo Network

- The Narita-Bangkok route, previously operated irregularly according to demand, will become a scheduled service with fixed departure dates to support sustained demand, particularly in the precision Instruments and machinery sectors.
- The Narita-Tianjin route frequency will increase to five flights per week.

Tokyo, JAPAN – The JAL Group has announced the Winter schedule of its international cargo freighters for the fiscal year 2025, effective from Oct 26, 2025. The Narita-Bangkok route will be launched as a scheduled service, marking the second Southeast Asia destination within the cargo network. Additionally, the Narita-Tianjin route frequency will increase by one flight per week.
