

**JAL/JTA Announces International Fare Fuel Surcharge for Tickets Issued
Between April and May 2026**

Tokyo, JAPAN - Japan Airlines (JAL) and Japan Transocean Air (JTA) have requested approval from Japan's Ministry of Land, Infrastructure, Transport and Tourism (MLIT) to set the level of fuel surcharge on international passenger tickets purchased in Japan between April 1 and May 31, 2026.

JAL and JTA set fuel surcharge levels bimonthly based on the two-month average price of Singapore kerosene-type jet fuel.
