Introducing a One-of-a-Kind Japanese Craft Whisky Selected by JAL (Part 9)

This map highlights the [Japanese craft distilleries](#) whose whiskies have previously been featured in JAL inflight sales. (In Japanese only.)

Tokyo, JAPAN - Japan Airlines (JAL) encourages travelers to explore various regions of Japan by purchasing and enjoying Japanese craft whisky produced at distilleries scattered throughout the country. This is one of the initiatives by JAL to create relationships and societal connections through air transportation.

The ninth product in this series is the SINGLE MALT YUZA Japan Airlines exclusive 2025, developed by Kinryu Corporation, a distillery led by CEO Masaharu Sasaki and located in Sakata City, Yamagata Prefecture. The product will be available in limited quantities through international inflight sales starting July 1, 2025.

Additionally, a whisky tasting event titled “Discovering the Charm of the Yuza Distillery with Baccarat Glasses” will be held in Roppongi, Tokyo, on September 27, 2025, for JAL Mileage Bank members. Attendees will have a chance to immerse themselves in the distinctive appeal of Yuza Distillery's whiskies.

### 1. About the Yuza Distillery

Kinryu Corporation, a specialized shochu manufacturer founded in 1950, began whisky production in 2018 at its Yuza Town facility in the Akumi District, Yamagata Prefecture. The distillery takes full advantage of the region's clear air, mild and humid climate by the Sea of Japan, and fresh mountain water sourced from Mount Chokai. Its whiskies reflect the blessings of nature and have achieved recognition such as the Category Winner and Gold Medal at the 2024 World Whisky Awards.

### 2. SINGLE MALT YUZA Japan Airlines exclusive 2025

This single malt whisky is carefully matured in bourbon barrels for over four years and undergoes an additional six months of refinement in premium sherry casks. It features a rich aroma of raisins and chocolate, with smooth and mellow flavors accompanied by a lingering fruity aftertaste.
