

Special Privileges through Status Match with JAL and HoteLux, a Membership Luxury Hotel Reservation Mobile App

- Exclusive offers from over 4,000 luxurious hotels and inns worldwide -

Tokyo, JAPAN – Japan Airlines (JAL) has partnered with HoteLux, a membership-based hotel reservation mobile app, allowing members to book from a selection of more than 4,000 luxurious global hotels and Japanese *ryokans* throughout Japan at special prices. This Status Match partnership enables eligible Star Grade members on the JAL Life Status program to receive benefits from HoteLux.

*Status Match is a program that allows individuals holding senior membership in one company, to obtain the same senior membership in a partner company. With Status Match, advanced memberships in other companies and partnership services can be effortlessly obtained based on existing membership status.

【Special Privileges】

Members of the JAL Global Club Three Star and above are invited to the Elite status, which normally has an annual fee of USD349, or the Elite Plus status, which normally has an annual fee of USD499, with a lifetime waiver of the annual fee. In addition, hotel coupons will be awarded annually for each qualifying grade.

Furthermore, the same services as those provided to HoteLux members will be available, including the following:
