

JAL Continues International Fare Fuel Surcharge at Current Rates for Tickets Issued in October and November 2024

Tokyo, JAPAN – Japan Airlines (JAL) has announced the continuation of the current fuel surcharge on international passenger tickets purchased in Japan between October 1 and November 30, 2024.

JAL sets fuel surcharge levels bimonthly based on the two-month average price of Singapore kerosene-type jet fuel. The price of Singapore kerosene-type jet fuel during the two-month period of June and July 2024 averaged USD97.89 per barrel, which accounted for JPY15,462 in the average exchange rate of JPY/USD157.95 during the same period.

As a result, with reference to the fuel surcharge benchmark list for FY2024, this will continue to correspond to Zone J from October to November 2024.

Fuel Surcharge for the period: October 1, 2024 ~ November 30, 2024
