

## JAL Group Announces FY2024 Winter Schedule on International and Domestic Network

Tokyo, JAPAN – The JAL Group today announced the Winter schedule for international and domestic routes, along with some changes to the domestic flight frequency plan.

1. To meet the strong demand for inbound travel and North America-Asia travel, flights to Southeast Asia (Jakarta, Bengaluru), Oceania (Melbourne), and East Asia (Shanghai (Pudong), Taipei(Taoyuan)) will be increased.
2. To respond to the steady recovery of outbound tourism demand from Japan, flights to Guam will be increased, special flights for the Honolulu Marathon will be operated, and some flights during the year-end and New Year period will be upgraded to Boeing 777 aircraft with First Class.
3. The new Airbus A350-1000 aircraft will be introduced on the Haneda-London route in the fall of 2024.
4. On domestic routes, the frequency of flights on the Osaka (Itami)-Miyazaki route will be increased for a limited period.
